INTRODUCTION

This week we're taking a brief break from our series *Delighting in the Trinity* to study along with Pastor Adrian Crawford's word to us this Sunday. The question Pastor Adrian posed to us was: are you willing to be ten toes down, fully committed to Jesus? Doing so takes courage and commitment, but is also the only path into God's great plan for us as his Church.

READ & DISCUSS

READ: Joshua 3:1-13

DISCUSS: How would you have felt in Joshua's situation?

REFLECT & APPLY

DISCUSS: Joshua risked a great deal by following through on God's plan—not just the embarrassment of potential failure to measure up to Moses' legacy, but also the danger of the waters and the opposing tribes. He needed courage, and the faith that God would show up where He'd said He would. Where in your own life do you need courage of that sort?

PRAY

Our hope for your groups this week is that you will share with one another where you most need courage and encouragement. As you do so, turn to God in prayer and ask Him to go before each other like the ark went before Joshua. It's God's strength that wins battles for us, and He loves to answer the prayers of His people. Know that the staff team is praying with you this week as well, and that we are filled with faith that God will go before you and fight your battles!

Discipleship Check-In

- Have you prayed and read your Bible consistently the past week?
- Who is someone you're praying to share Jesus with this week, and what's one way you can love them well?
